**RECEIVED**

If a Watercourse was Impacted, Describe Fully.\*

Describe Cause of Problem and Remedial Action Taken.\*  
**Due to downstream flow restrictions, pipeline pressure above the maximum allowable operating pressure required pipeline blowdown to relieve pressure in an effort to prevent potential pipeline failure and additional gas releases.**

Describe Area Affected and Cleanup Action Taken.\*  
**The pipeline blowdown was performed to relieve pressure from the system. No liquid spills occurred requiring any cleanup actions.**

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**RE: Form C-141 Report for Enterprise Field Services LLC  
Releases on Carlsbad Area Gathering Lines**

Dear Mr. Bratcher:

Enclosed, please find the required C-141 Form for the unplanned blowdown on our East Trunk A Line in Eddy County on December 11, 2014. The pipeline was blown down to relieve pressure from the system and prevent damage to the pipeline and potential gas leaks. This report is sent to follow-up on the immediate verbal notification by Osman De Leon on December 11, 2014 at 15:30 MST and NMAC 19.15.29 requirements.

If you have any questions or need additional information, please contact Dina Babinski, our area Environmental Supervisor by phone at 210-528-3824 or via email at [djbabinski@eprod.com](mailto:djbabinski@eprod.com) or me directly at 713-318-6684.

Yours truly,

Jon E. Fields  
Director, Field Environmental
