Mike,

Tetra Tech has submitted the above reference work plan for your review. Prior to implementing the work plan, I would like for you to review and approve the proposed plan for the site. We would like to start the remediation as soon as possible. Let me know if have any questions or comments on the proposed work plan, thanks

Mike,

Please find the enclosed Work Plan on the COG - Big George SWD Line Leak located in Eddy County, New Mexico. Once the remedial activities are performed, we will submit a cumulative closure report for your files. If you need a hard copy of the work plan let me know. Once approved, Tetra Tech will schedule the soil remediation and notify you before we start. Please let me know if you need additional information or call me if you have any questions.
