Jim,

Talon/LPE is sending you the analytical results for the soil samples collected at the Cimarex Energy Penny Pincher Federal No.3 release.

Cimarex Energy is requesting approval to start the backfilling of the excavated area using new soil transported to location.

On 11/22/2011 the over spray area located north of the tank battery will be treated using Micro Blaze. If further information is required please contact me at 575-441-7254.
