Dawn,

I am currently reviewing your Form C-108 Application to convert three wells to injection within the Flying "M" SA Waterflood Project. Please be advised that the newspaper ad is incorrect.

Please correct the following mistakes and re-run the advertisement:

Ad shows Tract 24 Well No. 1 to be in Section 24. Should be Section 29.  
Ad shows injection interval for the McGuffin Well No. 2 to be 4,340'-4,364'. Should be 4,327'-4,396'.

Please send me the corrected newspaper ad, and at that time, I will continue to process the application.

If you have any questions, call me at (505) 476-3466.

Sincerely,

✓ David Catanach  
Engineer
