COG Operating  
Pickett/Exxon Common 8 Federal #2 Tank Battery  
Section 8, T25S, R29E  
Eddy County, New Mexico  
23 08.983 103 59.512

Mike and Terry,

Tetra Tech will be onsite Thursday (11-3-11) at the above reference site to assess the spill area. To assess the spill area, soil samples will be collected with a hand auger to define the spill extents. If the impact is defined, a work plan will be prepared for your review and approval. If you have any questions please call me, thanks

Ike Tavarez, PG | Senior Project Manager
