ACTION: The line was blocked-in and blown down.

Describe Area Affected and Cleanup Action Taken.*

All gas was lost to atmosphere.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**RE: Form C-141 Report for Enterprise Field Services LLC
Unplanned Release on Carlsbad Area Gathering Lines**

Mr. Bratcher

Enclosed, please find the requisite C-141 Form for the unplanned releases on our Eddy County gathering line on February 24, 2014. The release was made to relieve in-line hydrate blockage. This is sent pursuant to 29 (19.15.29) NMAC and as follow-up to verbal notifications made to your office by phone on February 25, 2014.

If you have any questions or need more information, please contact Jim Heap by phone at 432-686-5404, by email at jkheap@eprod.com or me at 713-318-6684

Regards,

Jon E. Fields
Director, Field Environmental
