Subject: Apache Corporation Compliance Update

Billy,

Apache has submitted paperwork for 7 wells put back in compliance. One of these wells we have received TA status from the BLM but have not seen the update on the OCD website, I will include a scanned copy of this approved document.

We have 3 more wells that have had the work completed but we are getting the paperwork in order to submit. By the end of July Apache was scheduled to have 4 wells back into compliance.

The list of approved wells is below.

Fields # 1	3002506553	P&A'd June 2005. Approved 7/19/05.
Gulf Bunin # 3	3002506567	Well TA'd 5/10/05. Submitted C-103 on 5/23/05. Approved on 5/31/05 by Gary Wink
