I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**RE: Form C-141 Report for Enterprise Field Services LLC
Release on Carlsbad Area Gathering Lines**

Dear Mr. Bratcher,

Enclosed, please find the required initial C-141 Form report for the unplanned release on our 30137 Line in Eddy County on November 8, 2014.

This report is sent pursuant to NMAC 19.15.29 and as follow-up to verbal notifications made to your office over the phone by Osman De Leon on November 8th, 2014 at 1:02 PM MST. Cleanup activities are currently underway, and a final C-141 form will be submitted when soil sampling results demonstrate that cleanup of the affected area is complete.

If you have any questions or need additional information, please contact Dina Babinski, our area Environmental Supervisor at 210-528-3824, or me at 713-381-6684.

Yours truly,

Jon E. Fields
Director, Field Environmental
