Re: 1<sup>st</sup> Amendment to Escrito Trunk #1 Gathering System (NMOCD order PLC378A)  
Fourteen Additional Wells  
San Juan County, New Mexico

Dear Ms. Gregg:

We are in receipt of your application requesting to add fourteen additional wells to the Escrito Trunk Gathering System in San Juan County, New Mexico.

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with, and there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request is hereby approved. Our approval is subject to like approval by the New Mexico Oil Conservation Division. Please submit a copy of the NMOCD's approval to this office.

Our approval does not constitute the granting of any right-of-way or construction rights not granted by the lease instrument.

Please submit a filing fee in the amount of \$30.00 dollars. When you provide a check as payment, you authorize the State of New Mexico to either use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

RAY POWELL, M.S., D.V.M.
