**Subject:** Reportable Spill - Park State 36 COM #1 Eddy County - 12/31/2015

All

We had a release at the Park State 36 Com #1 yesterday 12/31/2015 at approximately 5PM due to a dump valve malfunction on a vessel causing a release of approximately 100 barrels of produced water, all fluids were contained and this facility does have a liner.

Once I get more information I will send in the C-141.
