I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOC rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOC marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOC acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Heather Patterson,

Attached is the C141 and cleanup plan for the line leak on DCP B-10 line located in Eddy County.
DCP was notified of a line leak on the State Well by BLM Representative Shelly Tucker on 09-1-16.

DCP construction will evaluate pipeline and make associated repairs.
I will notify you when site is available for sampling and coordinate site visit.

If you have any questions or concerns please contact me.

Thanks,

Yvonne Blair
