Subject: Stephens & Johnson Mobile 22 Federal #6 Excavation

Mr. Bratcher,

30-015-25333
2RP 357

Stephens & Johnson plans on implementing the work plan for the Mobile 22 Federal #6 located at Unit K, Section 22, Township 26 South, Range 29 East, in Eddy County, New Mexico beginning at 8 A.M. Thursday, October 7, 2010 (New Mexico time). As per the work plan, the two areas of chloride impacts will be excavated to a depth of 6 feet, the soils transported offsite for disposal, clean backfill brought into the site, and a 20 mil liner placed over the two excavations at a depth of 4 feet below ground surface. Afterwards, the site will be brought up to surface grade with clean backfill material.

If you have any questions or comments, please feel free to contact me at (432) 682-4559.

Thanks,

Jeffrey Kindley, PG | Senior Environmental Geologist
