Re: Application of Matador Production Company for administrative approval of unorthodox well location for its Guitar 10-24S-28E RB #205H well located in the N/2 of Section 10, Township 24 South, Range 28 East, N.M.P.M., Eddy County, New Mexico (the "Well").

Dear Mr. Catanach:

Matador Production Company (OGRID No. 228937) seeks administrative approval of an unorthodox well location ("NSL") for its Guitar 10-24S-28E RB #205H well (API No. forthcoming) to be completed within the Culebra Bluff; Wolfcamp, South (Gas) pool (Pool Code 75750) underlying the N/2 of Section 10, Township 24S, Range 28E, N.M.P.M., Eddy County, New Mexico. A C-102 for the Well is attached as Exhibit A. This is a horizontal Well that will be drilled as follows:

Guitar 10-24S-28E RB #205H

- **Surface Hole Location:** 934 feet from the North line and 134 feet from the West line of Section 11, Township 24 South, Range 28 East;
- **First Perforation Point:** 991 feet from the North line and 330 feet from the East line of Section 10, Township 24 South, Range 28 East;
- **Last Perforation Point:** 991 feet from the North line and 330 feet from the West line of Section 10, Township 24 South, Range 28 East; and
- **Bottom Hole Location:** 990 feet from the North line and 240 feet from the West line of Section 10, Township 24 South, Range 28 East.

Matador Production Company is requesting this NSL in order to efficiently produce its interests in Section 10. This Well will produce from the Culebra Bluff, Wolfcamp, South (Gas) pool (Pool Code 75750). There are no special pool rules for this pool, and thus the setback requirements under Rule 19.15.15.10(B) of 660' apply. The completed interval for the proposed Well is

closer than 660' from the boundary of the project area. The unorthodox location will encroach towards the N/2 and SE/4 of Section 9, and the N/2 and SW/4 of Section 11. A list showing the surrounding ownership and the project area for the proposed Well in relation to adjoining spacing units is attached as Exhibit B.

A list of the parties affected by the encroachment is attached as Exhibit C. Each of these parties has been provided notice of this application by certified mail, return receipt requested, advising them that if they have an objection to the location of this Well, it must be filed with the New Mexico Oil Conservation Division within 20 days of the mailing of this notice. In addition, a copy of this application has also been provided to the New Mexico State Land Office.

Your attention to this matter is appreciated.

Sincerely,

*Attorney for Matador Production
Company*

TO AFFECTED PARTIES

Re: Application of Matador Production Company for administrative approval of unorthodox well location for its Guitar 10-24S-28E RB #205H well located in the N/2 of Section 10, Township 24 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.

Ladies and Gentlemen:

Enclosed in the notice is a copy of the above referenced application filed with the New Mexico Conservation Division on this date. Any objections that you have to this application must be filed in writing with the New Mexico Oil Conservation Division, 1220 South St. Francis Drive, Santa Fe, New Mexico 87505, within twenty (20) days from the date the Division receives the above referenced application, or otherwise this application may be administratively approved by the Division.

If you have any questions concerning this application, please contact:

Chris Carleton
Matador Production Company
5400 LBJ Freeway, Suite 1500
Dallas, TX 75240
Phone: 972-371-5430

If you have no objection to this application, please sign the waiver as indicated below and return the original. Your assistance and cooperation in this matter are appreciated.

Sincerely,

**Attorney for Matador Production
