Dear Ms. Hill:

We are in receipt of your \$150 application fee and request to amend surface commingling through Encana's Escrito Trunk #1 Gathering System.

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with, and there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request is hereby approved. Our approval is subject to like approval by the New Mexico Oil Conservation Division. Please submit a copy of the NMOCD's approval to this office.

Our approval does not constitute the granting of any right-of-way or construction rights not granted by the lease instrument.

If you have any questions or if we may be of further help, please contact Commingling Manager Marilyn Gruebel at 505.827.5791.

Respectfully,

AUBREY DUNN
