-----------------	-----------	------------------

Reference is made to your application received on May 31, 2017.

You have requested to dedicate this well to a non-standard gas spacing unit described above in the referenced pool or formation. This gas spacing unit is governed by the Special Rules for the Purple Sage; Wolfcamp (Gas) Pool, which provide for 320-acre units, with wells located at least 330 feet from a unit outer boundary.

You have made application and provided notice as required in 19.15.15.11B. NMAC and 19.15.4.12.A(3) NMAC.

You have requested approval of a non-standard gas spacing unit described above. First, In order to maximize the length of the laterals in the wells. Second, to make the well more economic.

Pursuant to the authority conferred by Division Rule 19.15.15.13 B (4) NMAC, the above-described non-standard spacing unit is hereby approved.

The above approvals are subject to your being in compliance with all other applicable Division rules.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.
