Mike

That is a mistake. I sent a text to Amber and another Mike that I thought was you. I just spotted the error. I'll correct the C-141 on the lat and long as well as the immediate notification.

Coty,

Also, it is noted on the C-141, that immediate spill notification was provided to me and Amber Groves on 1/25/2018. Please advise what your method of notification was.

Coty,

On the C-141, please use decimal degrees for the Lat/Long. Also, Amber Groves is no longer with State Land office. I included her former email address on this response to see if it sends an auto reply.
