N/A

Describe Cause of Problem and Remedial Action Taken.\*

Purchaser found leak on their pipeline and requested a volume reduction while making repairs. Gas was sent to flare for two days.

Describe Area Affected and Cleanup Action Taken.\*

No impact.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**Subject:** Flaring

Amalia, I just got word we are having to flare on a few batteries due to a pipeline leak on our purchaser's line. I will complete the C-129s when I get back to the office Tuesday.

Thanks
