RE: Amendment to Surface Commingle Order PC-1030-A  
M. N. Galt B #1R & B #1Y  
Sec 6, T-27-N R-10-W  
San Juan County, New Mexico

Dear Mr. Jones,

(UNDES.)

(STATEWIDE) (IL)

XTO Energy Inc (XTO) requests that this surface commingle be amended. Currently the Basin Dakota in the M. N. Galt B #1Y (API No. 30-045-30354) is temporarily abandoned. XTO plans to recompleate this well in the Kutz Gallup. No other changes will be done concerning the initial surface commingle application. The only change being the producing pool.

If you need additional information or have any questions, please give me a call at (505) 324-1090.

Sincerely,  
XTO Energy Inc.
