**RE: Carter-Eaves "NCT-A" No. 3 – Requesting Change of Location (50 feet)
512' FSL & 1973' FWL
Unit N, Sec 6, T-24S, R-37E, Lea County, New Mexico
Division Administrative Order NSL-3025 (SD)**

2006 SEP 20 AM 11 49

Dear Mr. Stogner,

Due to an unmarked buried pipeline in existing approved location for the **Carter-Eaves "NCT-A" No. 3** (N-6-24S-37E), we are requesting a change of location, moving the well 50 feet to the east which will make the new location 512' FSL and 1973' FWL. This is due to the fact that there is an existing **Southern Union Gas Pipeline and a Water Disposal Line** next to the old approved location. To the north of the old approved location there is a pumping unit (Oxy-MLMU #174, 660' FSL & 1917' FWL). The only alternative is to move east away from all existing obstructions (see attached plat).

Also, please find enclosed an amended C-101 and C-102 showing the new location for the **Carter-Eaves "NCT-A" No. 3**. This change will affect NMOCD order #NSL-3025 (SD).

We thank you for your review of this matter and we are sorry for any inconvenience this may have caused. If you have any questions or need additional information, please contact John Allred at 281-296-7222 or email at jallred@plantationpetro.com.

Very truly yours,

PLANTATION OPERATING, LLC

John Allred, P.E.
Engineer
