BLTN "AUY" State No. 1
Unit A, Section 33, T-16S, R-35E

Dear Mr. Stall:

I have reviewed your application to downhole commingle Wolfcamp, Atoka and Morrow production within the BLTN "AUY" State No. 1. Your application states that a map identifying offset Atoka and Wolfcamp producing wells, along with production plots from these wells is attached to the application. Your application contains no production plots. Please supply the production plots on these offset wells, at which time we will continue to process your application.

If you should have any questions, please contact me at (505) 827-8184.

Sincerely,

A handwritten signature in cursive script that reads "David Catanach".
