David here are the following pool names and codes numbers you needed for Yate's Percentage #1 located in 3-08S-26E. I'll try and get this in the next nomenclature.  
Bryan

Eightmile Draw; Pennsylvanian Gas Pool, Code # 97095

Foor Ranch; Pre-Permian, North Gas Pool # 97094

I have already deleted the message you sent David.

David

Bryan is naming that pool the Eightmile Ridge so there is no confusion with the Eightmile Draw pools in District 1. He said it would have the same pool code as the pool code for the wildcat pool

David and Bryan

I don't remember if there was any thing else in that E-mail.
