Good morning, Will,  
Did you get a chance to fax the information on this well to me? Donna Mull,  
at the NMOCD in Hobbs has not received the approval as of this morning.  
Thanks,  
Denise

Hello Denise:  
Would you please reply to this email with your latest business contact info:  
i.e. the new Chevron address, phone, etc. When you reply, I will approve  
and mail back your NM EA State No. 1 DHC application.

Hope everything is going fine for you and the other exTExs?

Many Regards,
