Rio Arriba County, New Mexico

NW/4 SW/4

Dear Bill:

Please find enclosed herewith in triplicate plat showing the necessity for an unorthodox Pictured Cliffs Formation location in the SW/4 of Section 31. The entire S/2 of Section 31 is covered by U. S. Oil and Gas Lease No. NM 014058, under which Messrs. J. Glenn Turner and William G. Webb own the Pictured Cliffs operating rights. Such lease likewise covers the S/2 NW/4 of said Section 31. The balance of the NW/4 of Section 31 is owned by El Paso Natural Gas Company, and we are today requesting that they advise you by wire that they have no objection to this unorthodox location. It is contemplated that Messrs. Turner and Webb and El Paso will communitize the NW/4 of Section 31 in the near future.

Re: Unorthodox Location  
SW/4 Section 31, T-26-N, R-6-W  
Rio Arriba County, New Mexico

Dear Mr. Macey:

We have just been advised that J. Glenn Turner proposes to drill a Pictured Cliffs well 790' from the west line and 2,080' from the south line of Section 31-26-6 and that it is his intention to dedicate the SW/4 to this proposed well.

El Paso Natural Gas Company has the Pictured Cliffs rights in all of Section 36, Township 26 North, Range 7 West, and in the N/2 N/2 and the SE/4 NE/4 of Section 31-26N-6W.

We have no objections on this location or proposed spacing.

Yours very truly,

R. L. Hamblin, Manager  
Lease Department
