Attention: Mr. Albert R. Greer

Administrative Order NSL-22

Gentlemen:

Reference is made to your application for approval of a non-standard well location for your Foster Well No. 2, located 2230 feet from the north line and 1660 feet from the east line and in the SW/4 NE/4 of Section 25, Township 26 North, Range 8 West, NMPM, Wildcat Pictured Cliffs Pool, San Juan County, New Mexico.

It is understood that this request for such exception is based upon very extreme topographic conditions in the area.

By authority granted me under provisions of Rule 104, paragraph (f), you are hereby granted an exception to Rule 104 (b) as an exception to the normal spacing requirements for the above described unorthodox well location.

Very truly yours,

W. B. Macey
Secretary-Director
