Re: SE $\frac{1}{4}$ Section 15, Twp. 29 N., Range 11

Troxell Well.

Dear Sir:

I have the honor to hand you herewith Affidavit of George F. Bruington, Esquire, Attorney at Law, Aztec, New Mexico, which states that the entire 160 acres embraced in the leases in the above-described property are communitized.

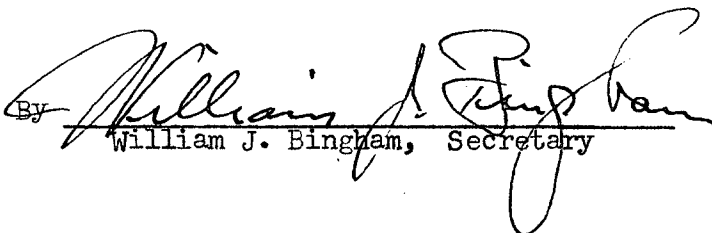

Mr. Mankin of your office informed me that this affidavit was required before permit could be granted to drill our Troxell well to the "Picture Cliff" or "Fruitland" formation. Mr. Arnold of your Aztec office has been provided with full information in this regard.

It will be appreciated if you will issue permit at your very earliest convenience, so that we may complete the Troxell well.

Thank you for your courtesy and cooperation.

Respectfully,

MELBORNE PETROLEUM CORPORATION,
