Mr. W. B. Macey
Secretary - Director
Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Dear Mr. Macey:

As Operator of the Northeast Blanco Unit, we request permission to drill an unorthodox well, to be located 520' from the North line and 2420' from the East line of Section 31, T 31 N, R 7 W, San Juan County, New Mexico.

Because of the extremely rough terrain on and surrounding the proper location for this well, it is necessary to select a more suitable location for a drilling site.

Section 31, T 31 N, R 7 W is a part of the Northeast Blanco Unit and the new location, as requested, will present no drainage problems to offset operators.

We enclose a location plat for the requested unorthodox location.

Very truly yours,

BLACKWOOD & NICHOLS COMPANY
