Patterson Lay

New Mexico Oil and Gas Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Attention: Mr. A. L. Porter, Secretary-Director

Gentlemen:

Re: Application of Tennessee Gas Transmission Company for
Approval Under Rule 104 F of an Non-standard Drilling
Location in San Juan County, New Mexico

Pursuant to General Rule 104 F, Tennessee Gas Transmission Company hereby submits application and requests approval for non-standard drilling location of their Ute Mountain Tribe "A" No. 1 located 1190' FNL and 1190' FEL of Section 22, T31N, R15W in NMPM.

In support of this application, Tennessee Gas Transmission Company respectfully submits the following:

1. The well location was moved South and East from the standard location, because of extreme topographical conditions.
2. Tennessee Gas Transmission Company is the owner of an oil and gas lease covering all of Sections 21 and 22. All ownership within a radius of 790' is common with the ownership under the proposed location.

Tennessee Gas Transmission Company respectfully requests that the Secretary of the Commission grant administrative approval without notice and hearing to the non-standard location hereby described.

July

Yours very truly,

TENNESSEE GAS TRANSMISSION COMPANY
