Attention: Mr. A. L. Porter, Secretary-Director

Gentlemen:

Re: Application of Tennessee Gas Transmission Company for
Approval Under Rule 104 F of an Non-standard Drilling
Location in San Juan County, New Mexico

Pursuant to General Rule 104 F, Tennessee Gas Transmission Company
hereby submits application and requests approval for non-standard
drilling location of their Ute Mountain Tribe "B" No. 1 located
1060' FNL and 1980' FEL of Section 29, T31N, R15W in NMPM.

In support of this application, Tennessee Gas Transmission Company
respectfully submits the following:

1. The well location was moved South and East from
the standard location, because of extreme topo-
graphical conditions.
2. Tennessee Gas Transmission Company is the owner of
an oil and gas lease covering all of Sections 29, 30,
31 and 32. All ownership within a radius of 790' is
common with the ownership under the proposed loca-
tion.

Tennessee Gas Transmission Company respectfully requests that the
Secretary of the Commission grant administrative approval without
notice and hearing to the non-standard location hereby described.

Yours very truly,

TENNESSEE GAS TRANSMISSION COMPANY
