P.O. Box 871
Santa Fe, New Mexico

Dear Mr. Porter:

As Operator of the Northeast Blanco Unit, we request permission to drill an unorthodox well, to be located 500' from the South line and 2065' from the West line of Section 29, T 31 N, R 7 W, San Juan County, New Mexico.

The normal location for this well is situated in the Pine River Canyon. It is, therefore, necessary to select a more suitable drilling site.

Section 29-31N-7W is a part of the Northeast Blanco Unit and the new location, as requested, will present no drainage problem to offset operations.

We enclose a location plat of the requested location.

Very truly yours,

BLACKWOOD & NICHOLS COMPANY
