Mr. A. L. Porter, Jr.  
Secretary-Director  
Oil Conservation Commission  
P.O. Box 871  
Santa Fe, New Mexico

Dear Mr. Porter:

As Operator of the Northeast Blanco Unit, we request permission to drill an unorthodox well, to be located 2580' from the North line and 1135' from the East line of Section 33, T 31 N, R 7 W, San Juan County, New Mexico.

The normal location for this well is situated in such rough terrain, it is necessary to select a more suitable drilling site.

Section 33-31N-7W is a part of the Northeast Blanco Unit and the new location, as requested, will present no drainage problem to offset operators.

We enclose a location plat of the requested location.

Very truly yours,

BLACKWOOD & NICHOLS COMPANY
