Attention: Mr. E. S. Oberly

Administrative Order NSL-131

Gentlemen:

Reference is made to your application for approval of an unorthodox location for your Schwerdtfeger Well No. 15-A, to be located 865 feet from the North line and 2250 feet from the East line and in the NW/4 NE/4 of Section 21, Township 27 North, Range 8 West, NMPM, Blanco Mesaverde Gas Pool, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE/4 of said section.

Inasmuch as you are the owner of the offset acreage, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of the Special Rules and Regulations of the Blanco Mesaverde Gas Pool, you are hereby granted an exception to Section 1 (c) of Order R-110 as amended for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director
