**Gentlemen:**

Reference is made to your application for approval of an unorthodox well location for a well to be located 1980 feet from the South and East lines of Section 28, Township 25 North, Range 4 West, in an undesignated Dakota Pool, Rio Arriba County, New Mexico.

**Y**  
It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the area.

By authority granted me under provisions of Rule 104 (f) of the Commission Rules and Regulations, you are hereby granted an exception to Rule 104 (b) (2) of the Commission Rules and Regulations for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.
