

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

October 22, 1959

**Nearburg & Ingram
127 S. Richardson
Roswell, New Mexico**

Attention: Mr. Tom L. Ingram

Administrative Order NSL-203

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Hawkins Well No. 1 to be located 660 feet from the North line and 1980 feet from the East line of Section 27, Township 18 South, Range 26 East, Atoka-Pennsylvanian Gas Pool, Eddy County, New Mexico.

It is our understanding that this unorthodox well location is occasioned by the recompletion of a well previously drilled to another horizon.

By authority granted me under provisions of Rule 3 (b) of the Special Rules and Regulations of the Atoka-Pennsylvanian Gas Pool, as set forth in Order No. R-1417, you are hereby granted an exception to Rule 3 (a) of Order No. R-1417 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**
