**SANTA FE, NEW MEXICO**

**March 30, 1960**

**Skelly Oil Company  
P. O. Box 38  
Hobbs, New Mexico**

**Attention: Mr. J. N. Dunlavey**

**Administrative Order NSL-211**

**Gentlemen:**

Reference is made to your application for approval of an unorthodox well location for your E. A. Sticher Well No. 4 to be located 2130 feet from the South line and 810 feet from the West line of Section 4, Township 22 South, Range 37 East, Tubb and Blinebry Gas Pools, Lea County, New Mexico.

It is our understanding that this unorthodox well location is occasioned by the recompletion of a well previously drilled to another horizon.

By authority granted me under provisions of Rule 3 of the Special Rules and Regulations for the Tubb Gas Pool, as set forth in Order R-586 and under Rule 3 of the Special Rules and Regulations for the Blinebry Gas Pool as set forth in Order R-610, you are hereby granted an exception to Rule 2 of Orders R-586 and R-610 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

**Very truly yours,**

**A. L. PORTER, Jr.,  
Secretary-Director**
