Mr. A. L. Porter

Oil Conservation Commission
P. O. Box 871

Dear Mr. Porter:

As operator of the Northeast Blanco Unit, we request permission to drill an unorthodox well to be located 1470' F/SL - 1250' F/WL, Section 30, T 31N, R6W, Rio Arriba County, New Mexico.

The normal location of this well is situated in such difficult topography, it is necessary to select a more suitable location for a drilling site.

Section 30, T 31N, R6W is a part of the Northeast Blanco Unit and the new location, as requested, will present no drainage problem to offset operators.

We enclose a location plat for the new location.

Very truly yours,

BLACKWOOD & NICHOLS COMPANY
