Dear Mr. Porter:

As provided for in Order No. R-179-3, Rule 4B, covering the Escrito-Gallup field, Val R. Reese & Associates, Inc. request administrative approval to drill their #5-30 Goff well on an unorthodox location. The #5-30 Goff well will be a Gallup completion, located 2440 feet from the North line, and 330 feet from the West line of Section 30, Township 24 North, Range 6 West, Escrito-Gallup Field, Rio Arriba County, New Mexico.

The unorthodox location is requested because of the extreme topographic conditions in the area north and east of the proposed location. Val R. Reese & Associates, Inc. are offset operators of all of the acreage surrounding this well.

Very truly yours,

Morris B. Jones
