Attention: Mr. William G. Odell

Administrative Order NSL-326

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Navajo Tract 13 Well No. 1 to be located 500 feet from the North line and 2275 feet from the East line of Section 29, Township 29 North, Range 15 West, South Waterflow Spacing Area, San Juan County, New Mexico.

By authority granted me under the provisions of Order No. R-2612 governing the South Waterflow Spacing Area, you are hereby granted an exception for the above-described unorthodox well location.

Very truly yours,

A. L. PORTER, Jr.

Dear Mr. Porter:

Enclosed please find Humble's Application For Unorthodox Location in the South Waterflow Gallup Pool in San Juan County, New Mexico. This request is necessitated by the fact that coal mining operations upon the 40-acre drillsite tract prevent us from drilling at the prescribed location.

Thank you for your consideration in this matter.

Very truly yours,

*William G. Odell*
