Attention Mr. A. L. Porter, Jr.,
Secretary Director

Subject: Application for Approval for Unorthodox location
for MCA Well No. 275

Continental Oil Company, as operator for the MCA Unit, hereby requests approval under the provisions of Order No. R-2403-A to drill MCA Unit Well No. 275 at a location 1345' from the north line and 660' from the east line (Unit H) of Section 33, T-17S, R-32E, Lea County, New Mexico.

As shown on the attached plat this location is 25' from the nearest quarter-quarter section boundary line. The well is being drilled in conjunction with our current in-fill drilling evaluation program, and should result in the more efficient recovery of oil in this immediate area.

Since this well is located at least 1/4 mile from the nearest outside boundary of the unit, it is respectfully requested that immediate approval of this location be given.

Yours very truly,
