RE: Warren American Oil Co.
Hobbs Unit #4
Spill RP #1161

Mr. Williams:

Warren American has completed the backfilling and leveling of the spill around well #4 as approved. All material was hauled to an OCD approved facility and clean soil from the Cooper Ranch was used to backfill. This should finalize the work at this project.

If you have any questions, please call.

Sincerely,

Re: Hobbs Unit #4

Dear Mr. Seay:

New Mexico Oil Conservation Division (OCD) personnel reviewed the closure report submitted by Warren American Oil (WAO) for the site referenced above. The closure is hereby approved according to information provided.

Please be advised that OCD approval does not relieve WAO of liability should operations result in contamination of surface water, groundwater, or the environment. In addition, OCD approval does not relieve WAO of responsibility for compliance with other federal, state or local laws and or regulations.

If you have any questions or need assistance please write or call: 505-393-6161 ext. 102, or e-mail chris.williams@state.nm.us.

Sincerely,

NMOCD District1 Supervisor

Hole in flow line near well head

Describe Area Affected and Cleanup Action Taken.*

Area affected approx 10x50. All contaminated soil was excavated and hauled to a OCD approved facility. New soil replaced. Final report

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
