Re: Carter Foundation
Blaine-Cade Waterflood Project
Case No. 3362

Gentlemen:

Reference is made to our letter of November 26, 1974,
requesting authorization to include the Carter Foundation Production
Company, Blaine Federal #17, in the captioned waterflood project.

In accordance with your instructions, we herewith request
administrative approval for unorthodox well location for this water
injection well which was completed November 4, 1968 in the
Langlie Mattix Field, Lea County, New Mexico.

Enclosed is a plat of the area and copies of waiver letters
from the offsetting operators, Atlantic Richfield Company and Skelly
Oil Company.

Sincerely,

Robert D. Fitting

Re: Carter Foundation Production Company
Blaine-Cade Waterflood Project
Order No. R-3027

Gentlemen:

Carter Foundation Production Company proposes to include their Blaine Federal, Well #17, a water injection well, in the Blaine-Cade Waterflood Project, Langlie-Mattix Field, Lea County, New Mexico. This well was completed on November 4, 1968 at an unorthodox location as shown on the attached plat. We have been requested by the New Mexico Oil Conservation Commission to obtain a Waiver of Objection from you, as an offset operator, for this unorthodox well location and its inclusion in the subject project.

If you have no objection to this proposal, please indicate your approval in the space indicated below and return one copy of this letter to us in the enclosed self-addressed envelope.

Sincerely,

CARTER FOUNDATION PRODUCTION COMPANY
