Re: Great Western Drilling Company
State "13" No. 1: 510' FSL, 660' FEL
Section 13, T-16-S, R-33-E
Lea County, New Mexico

Gentlemen:

By this letter and the enclosures we are requesting administrative approval of a non-standard location captioned above.

This project will be a re-entry of the Atlantic Richfield Company Seaman Unit No. 1. This well was originally drilled as the Sinclair Oil and Gas Company Seaman Unit No. 1 in 1956. It was plugged and abandoned in April 1971. The re-completion effort will be through Atoka perforations @ 12,660 feet.

As required by the Commission rules, offset operators have been notified on June 4, 1975, by certified mail via the enclosed letter of Great Western's intent. The offset operator mailing list and lease plat are also enclosed.

Forms C-101 and C-102 have been filed with the Commission in Hobbs. Copies of these forms are enclosed for your information.

Yours very truly,

GREAT WESTERN DRILLING COMPANY

F. L. Ballard
General Superintendent
