Mr. Joe D. Ramey, Secretary-Director  
New Mexico Oil Conservation Commission  
P. O. Box 2088  
Santa Fe, New Mexico 87501

Dear Mr. Ramey:

As operator of the Northeast Blanco Unit, we are requesting administrative approval for an unorthodox well location to be completed in the Mesaverde Formation.

We intend to drill the Northeast Blanco Unit Well No. 23A, an infill well, located 1800 F/N - 570' F/W, F-6-30N-7W, San Juan County, New Mexico.

Due to topographical conditions and its relation to Navajo Lake, we can not locate the well any nearer a standard location within the W/2 of this section.

Very truly yours,

BLACKWOOD & NICHOLS CO., LTD.
