Attention: Mr. Davis Payne

Administrative Order NSL-965

Gentlemen:

Reference is made to your letter dated June 29, 1978, requesting authority to re-enter the Jake L. Hamon Clara Roberts Well No. 1 located 1980 feet from the North line and 330 feet from the West line of Section 23, Township 15 South, Range 38 East, Medicine Rock-Devonian Pool, Lea County, New Mexico.

This well's location does not comply with the well location requirements for the subject pool as set forth by Order No. R-2315. However it is our understanding that the well was approved prior to adoption of the pool rules and was therefore grandfathered in when the pool rules were adopted.

The well location is hereby approved for re-entry and production.

Very truly yours,

JOE D. RAMEY,
Director
