Attention: R. C. Anderson

Administrative Order NSL-1011

Gentlemen:

Reference is made to your application for a non-standard location for your Eddy "GR" State Well No. 2 to be located 1550 feet from the North line and 1780 feet from the East line of Section 16, Township 23 South, Range 28 East, NMPM, for a Wolfcamp or deeper gas well, Eddy County, New Mexico.

As all waivers from offset operators are in, the waiting period can be dispensed with.

By authority granted me under the provisions of Rule 104 F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,

JOE D. RAMEY,
Director
