Post Office Box 2088  
Santa Fe, New Mexico 87501

Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 30-6 Unit #58A at 800' from the North line and 1930' from the West line of Section 31, T-30-N, R-6-W, Rio Arriba County, New Mexico.

Extremely rough terrain with cliffs and ledges in the northwest corner of this section makes it impossible to build an orthodox gas well location.

All operators of proration units offsetting the proposed unorthodox location have been notified of this application by certified mail.

Plats showing the proposed well location and the terrain of Section 31, along with an ownership plat, are attached.

Sincerely,

*L. A. Aimes*

Re: Unorthodox Gas Well Location

Gentlemen:

El Paso Natural Gas Company has requested administrative approval for an unorthodox location for a well in the Blanco Mesa Verde pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 30-6 Unit #58A at 800' from the North line and 1950' from the West line of Section 31, T-30-N, R-6-W, Rio Arriba County, New Mexico.

Extremely rough terrain with cliffs and steep ledges in the northwest corner of this section makes it impossible to build an orthodox gas well location.

In compliance with New Mexico Oil Conservation Division rules, we are notifying you, as operator of an offsetting proration unit, of our application for administrative approval for the aforementioned unorthodox gas well location. Enclosed are three copies of this letter. If there is no objection to this location, please sign and return one copy to the New Mexico Oil Conservation Division, Post Office Box 2088, Santa Fe, New Mexico 87501; one copy to El Paso Natural Gas Company; and keep one copy for your files.

A plat showing the proposed well location and offsetting Mesa Verde lease ownership is attached.

Sincerely,

*L. A. Aimes*
