Mr. Bill Galac Husky Oil Company 600 S. Cherry Street Denver, Colo. 80222

Dear Mr. Galac:

Husky Oil Company has requested our approval of the following well location which is within the Navajo Indian Irrigation Project:

3-E Bolack D 990' FSL, 1500' FEL Sec. 21, T.27N., R11W.

You have worked with our office in establishing this location so as not to interfere with the center pivot sprinkler irrigation systems to be installed as a part of the development of the Navajo Indian Irrigation Project. We understand this is an unorthodox drilling location and will require special approvals.

We request that you make arrangements for acquiring the approvals for this location.

Your cooperation in this matter is appreciated.

Walter E. Rein

Sincerely,

Acting Project Manager
