Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Basin Dakota pool.

It is intended to locate the El Paso Natural Gas Company's De Na Haz Za #2 at 650' from the North line and 610' from the West line of Section 18, T-26-N, R-8-W, San Juan County, New Mexico.

A large wash and an existing pipeline in this quarter section necessitate moving from an orthodox location to this unorthodox location.

All operators of proration units offsetting the proposed unorthodox location have been notified of this application by certified mail.

Plats showing the proposed well location and the terrain of Section 18, along with an ownership plat, are attached.

Yours truly,

*Don Read*
