I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Re: Produced Water Release - NMSWD C-141  
T10S, R34E  
Section 8: NE/4NE/4  
Lea County, NM

Dear Larry:

In accordance with our recent conversation and the OCD guidelines  
I am submitting C-141.

In the event you have any additional questions, please contact  
me. My phone number appears on the Release Notification and  
Corrective Action document.

Thank you for your help in this matter.

Very truly yours,

New Mexico Salt Water Disposal

James B. Read - Agent
