Unit P, Section 8, T-19S, R-37E, NMPM,

The above-named company is hereby authorized to commingle gas production within this lease from the Eumont-Yates Seven Rivers Queen Gas Pool (76480) and the Eunice Monument-Grayburg San Andres Oil Pool (23000). It is our understanding that wells #2 and #3 have common interests and wells #1 and #4 each have different revenue interests. Allocation gas meters shall be installed and maintained to continuously measure gas production from each set of well(s) with common ownership. Oil and water production shall not be commingled.

NOTE: This installation shall be installed and operated in accordance with the applicable Division Rules and Regulations. It is the responsibility of the producer to notify the transporter of this commingling authority.

REMARKS: The commingled gas production shall be sold at the R.H. Huston, Jr. Well No. 4 location within the SE/4 SE/4 of Section 8, Township 19 South, Range 37 East, NMPM, Lea County, New Mexico.
