Amoco Production Company (USA)
Petroleum Building
501 Airport Drive
Farmington, New Mexico 87401

Attention: R. W. Schroeder

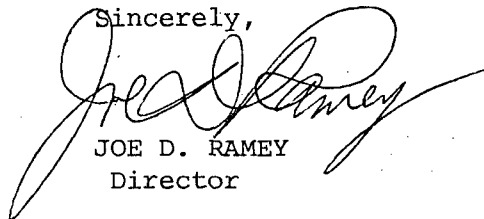

Administrative Order NSL-1480

Gentlemen:

Reference is made to your application for a non-standard location for your L. M. Barton Well No. 1E to be located 1900 feet from the South line and 480 feet from the West line, Section 12, Township 30 North, Range 12 West, San Juan County, New Mexico.

By authority granted me under the provisions of Rule 3 of Order No. R-1670 and Rule 104F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Sincerely,

JOE D. RAMEY
Director

JDR/RLS/og
